

IEEE Nanotechnology Newsletter

IEEE Nanotechnology Council, Advancing technology for humanity

March – May 2016

Several major conferences and summer school sponsored by IEEE NTC will be held in Toulouse, France, Sendai, Japan, Paris, France, and Tel Aviv, Israel in the coming few months. Besides the official website of the IEEE NTC, an NTC Facebook Group website is up running with new members joining from around the world. We welcome you to attend these conference, summer school, and participate in and contribute to the rich contents of the NTC Facebook.

IEEE NMDC 2016 Abstract Submission Deadline June 15, 2016

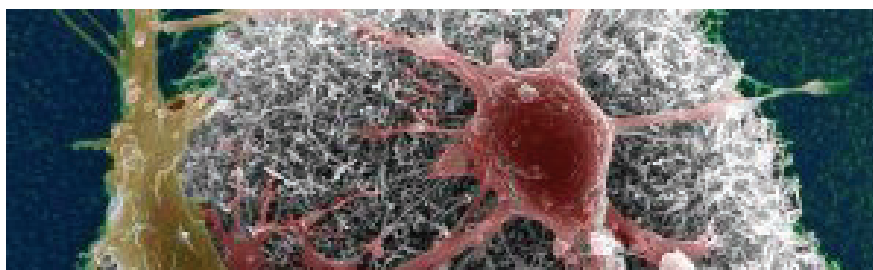

IEEE NMDC 2016 will be held on **October 9-12, 2016** in **Toulouse, France**.

Abstract Submission Deadline: June 15, 2016.

Confirmed Plenary and Invited Speakers are listed on the conference web-site. (<http://ieeenmdc.org/nmdc-2016/>)

IEEE NTC Summer School on June 19-23, 2016. Register Now!

Regenerative Nano-Medicine: From Advanced Delivery Systems to Electronic-Based Devices, 19-23 June, 2016 at Tel Aviv University
A Summer School Organized by the Gertner Institute with the Support of IEEE Nanotechnology Council

Early Registration for IEEE NANO 2016

16th International Conference on Nanotechnology (IEEE NANO 2016) will be held in 22 – 25 August 2016, Sendai, Japan
Early Registration Deadline: June 22, 2016.

Welcome to The 1st MARSS on July 18-22, 2016 in Paris, France

The first International Conference on Manipulation, Automation and Robotics at Small Scales (MARSS) is held from 18-22 July 2016 in Paris
<http://marss-conference.org/>

Welcome to Join the IEEE NTC Facebook

IEEE NTC Facebook websites are linked below. It can also be linked to by the facebook option at the upper right corner of the front page of the NTC website.

NTC officers, members, conference/workshop organizers are invited to join it and post relevant information.
