IEEE NMDC 2019 website: www.nmdc2019.conf.kth.se

IEEE Nanotechnology Council's NMDC 2019 conference will bring together key researchers from every sector in the nanotechnology research field, with a special focus on Materials and Devices. Conference papers will be published in IEEE Xplore. Authors of selected papers will be invited to submit their extended article version to: IEEE Transactions on Nanotechnology, and IEEE Nanotechnology Magazine. Best paper awards will be given in several categories at the conference banquet, to be held at the "Vasa museum" (17th century ship).

NMDC 2019 will be held in Münchenbryggeriet (The Brewery Conference Centre Stockholm), located close to city center at Torkel Knutssonsgatan 2. See details [here](#).

Call for Proposals

for Future IEEE NTC Conference Sites

The IEEE Nanotechnology Council (NTC) is calling for proposals for future sites for IEEE NANO 2022 and for IEEE NMDC 2021.

Click [here](#) for additional information.

Contact NTC VP Conferences [Lixin Dong](#) with any questions.

Proposals are due by 15 October

OPPORTUNITIES

Call for Nominations VP Educational Activities

The IEEE Nanotechnology Council (NTC) is seeking nominations for the following elected positions:

VP for Educational Activities (2020-2021)

The Vice-President for Educational Activities shall establish and chair the Education Committee, and with the participation of the Education Committee shall foster the development and provide direction for educational activities and programs in which the Council is involved, including but not limited to overseeing, coordinating, and monitoring such educational activities.

Unless otherwise noted, all positions are two-year terms and start 1 January 2020. ***Candidates are nominated from current or past Council AdCom members within the previous five years.***

Please email the nominations to Wen Li, Chair, NTC Nominations Committee at wenjli@cityu.edu.hk by midnight (HK Time) **4 October**.

Click [here](#) for more information.

Nominations are due by 4 October

Editor-in-Chief Opportunity

The IEEE Nanotechnology Council (NTC) invites nominations for the following position:

Editor-in-Chief of Transactions on Nanotechnology

The deadline for nominations and applications is **15 October 2019**. Please submit nominations to Jin-Woo Kim, NTC Vice President-Publications, via email to jwkim@uark.edu. Click [here](#) for more details.

Nominations are due by 15 October

Call for Awards Nominations

Nominations are being solicited for the IEEE Nanotechnology Council's 2019 Awards. *These are due by **1 October 2019**.*

Award categories are **Early Career, Pioneer and Distinguished Service**.

See the [NTC Award Nominations](#) page for full description and nomination form.

Nominations are due by 1 October

Call for DL Nominations

The IEEE Nanotechnology Council (NTC) is seeking nominations for Distinguished Lectures for 2020.

Candidates for DLs may be nominated by any current IEEE member (self-nominations are not accepted), using the [IEEE NTC Distinguished Lecturer Nomination Form](#). DLs are expected to give a minimum of 2 lectures per year as part of their commitment to serve. The NTC Distinguished Lecturer Committee reviews nominations and recommends DL candidate appointments for NTC ExCom approval.

DL Nominations are submitted to the chair of the Distinguished Lecturer Committee by 15 October. For more information, click [here](#) or visit: ieeenano.org/dl-program/.

Nominations are due by 15 October
