Call for Nominations Awards & Distinguished Lecturers September 2020

Last Call for Award Nominations 2020

The IEEE Nanotechnology Council (NTC) is soliciting nominations for its Council Awards. To view the full detailed listing of each award please visit the [Awards page](#) on our website.

Nominations are due on **1 October 2020**. Nominators should utilize the forms associated with each award description found on the [website](#). Please make sure that nominators and references specifically address contributions, impact, and evidence related to the Basis for Judgment associated with each award.

For further information, please contact the Awards Committee Chair, [Alexander Balandin](#).

Pioneer Award

The Nanotechnology Council Pioneer Award in nanotechnology is to recognize individuals who by virtue of initiating new areas of research, development, or engineering have had a significant impact on the field of nanotechnology. The award is intended for people who are in the mid or late portions of their careers, i.e., at least 10 years beyond his or her highest earned academic degree on the nomination deadline date.

Distinguished Service Award

The Nanotechnology Council established the Distinguished Service Award to recognize an individual who has performed

Call for 2021 Distinguished Lecturers

The IEEE Nanotechnology Council (NTC) is seeking nominations for distinguished lecturers. Nominations are due **15 October 2020**. The NTC has created a distinguished lecturers program to enhance the visibility of NTC among nanotechnology societies. The NTC Distinguished Lecturers are appointed to honor excellent speakers who have made technical, industrial or entrepreneurial contributions of high quality to the field of nanotechnology and science, and to enhance the technical programs of the Nanotechnology Council chapters and conferences. Consideration is given to having a well-balanced variety of speakers who can address a wide range of topics of current interest in the fields covered by the Society.

The term for the Lecturers is from **1 January until 31 December of 2021**. The Lecturers serve for a one year term and may be reappointed for one additional year with the approval of the NTC Distinguished Lecturer Committee. A budget will be provided to each Lecturer to give lectures for NTC Chapters and NTC Conferences

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Candidates for DLs may be nominated by any current IEEE member, using the IEEE NTC [Distinguished Lecturer Nomination Form](#). Self-nomination is not accepted. Endorsements are not required but are recommended.

The selection of distinguished lectures will be made by the Distinguished Lecturer Committee, a subcommittee of the Education Committee chaired by the VP Educational Activities, and approved by the NTC ExCom.

Please submit the nomination by midnight (US Pacific Time) on **15 October 2020**, via email to the VP Educational Activities, [John Yeow](#), or online using the form found on the [website](#).

Nominations are due 15 October 2020
