

Call for Applications - NTC Chapter's Activity Grant

The IEEE NTC Chapters & Regional Activities Committee is calling for applications from NTC Chapters (student chapters included) for NTC Chapter's Innovation Grant. The purpose is to support regional NTC Chapters to propose new innovative activities to be carried out in 2024. Up to USD\$2000 can be applied from each eligible chapter.

1. Eligibility

All **active** NTC Chapters, but priority will be given to new chapters formed in the last 3 years, and those that have not received any funding support from the Chapter's committee in the last 3 years.

2. The Application Pack should

- include **a list of the past chapter activities** carried out in 2022-2023 (that have been reported in Vtool).
- include a brief **proposal (up to 2 pages)** on the proposed activities, with a clear description on each activity, its action plan (such as for activity promotion, format/venue and duration) and relations to the topics of the current NTC Technical Committees (<https://ieeenano.org/technical-activities/tech-cmtes>) and the NTC Distinguished Lecturers (DL) program (<https://ieeenano.org/dl-program>), as well as the main benefits to IEEE NTC members and wide community.
- include **a budget justification** for each planned activity (**note: travel expenses cannot be funded**). Typical funding is USD \$1000. In special well-documented cases, funding can be increased but no more than USD \$2000.
- be sent by email to: Prof. Lan Fu: lan.fu@anu.edu.au by **June 30, 2024**.

3. The selection committee

- Prof. Malgorzata Chrzanoska-Jeske (NTC VP for Finance)
